Language(s) spoken: English

Bar Admission(s): New Brunswick, 2006

Legal Assistant(s): Carolyn Bennett

With a practice focusing on cybersecurity, privacy and access to information matters, Sarah advises clients from multiple industries and sectors on proper information collection and disclosure practices and what to do in the event of a privacy breach. She has acted for universities, municipalities, utilities, health record custodians, government institutions and private businesses with respect to access to information requests, privacy complaints, privacy breaches and information practices and policies. Sarah acts as counsel for the Canadian Medical Protective Association and their members in New Brunswick.
