Bar Admission(s): Charlottetown, 2021

Curtis' practice primarily involves advising municipalities and parties appearing before administrative tribunals, as well as clients who have been charged with *Criminal Code* offences or who are engaged in civil litigation.

Some of the ways Curtis has helped clients include:

- Assisting municipalities in reviewing their Official Plans and bylaws for internal consistency and compliance with statutory requirements.
- Advising a municipality on an appeal from its decision under the Planning Act.
- Advising clients charged with Criminal Code offences.
- Assisting clients at various stages of employment, commercial, and intellectual property litigation.
- Advising clients on administrative law matters.
